samedayprinting™

when it just can't wait

How Does It Work ? Sign off and pay for printwork and this will be 100% Guaranteed to be despatched that day for a next working day delivery, or collected from our factory in Cumbernauld.

What Products Are Available ? This brochure contains the products that are covered with our Same Day Printing service, others MAY be applicable but we reserve the right NOT to guarantee such work not shown in this brochure.

What If It's NOT Ready Or Despatched ? Free print work, you will receive a refund for the printing, and keep the print work too.

What Are The Two Prices ? Our standard prices are shown in blue, and Same Day Prices shown in RED. These prices are always less than our 40% Premium for a Super Xpress Print Service, therefore represent excellent value for money.

The Small Print

This is a genuine offer, however the following points should be noted to avoid any confusion:
 1) Same Day Printing applies to the products listed in this brochure and same time proof approval and payment before 10am on the print day.
 2) Stock orders approved before 10am on the Print Day will be printed and ready for despatch before 4pm the SAME DAY.
 3) Orders CAN be collected, but only from our production unit in Cumbernauld (Outside Glasgow), subject to centre opening hours.
 4) Print work can only be produced on the stocks and quantities shown. Please ask if additional stocks are required.
 5) The prices shown exclude carriage, this is shown for each item.
 6) Delivery is provided by a third party courier, our contract is to despatch work the SAME DAY, we regret that failed deliveries are NOT covered by our guarantee.
 7) If we fail to produce the work for despatch, the client will receive the print work completely free of charge (excluding artwork costs)

Please note this service is ONLY available during normal working days.

Some More Of The Small Print

1) The free print guarantee does not extend to any take or leave on control as per our standard terms and conditions of business. Our standard terms and conditions are available on request or can be viewed on our website at www.inkshopprinting.com
 2) In certain circumstances we can provide a while you wait service, please check BEFORE ordering if this service is required as not every product qualifies for a while you wait service.
 3) Digital Printing is used for the vast majority of our Same Day Print services, exceptions to this are our 5000 A5 leaflets and 5000 folded brochures. Clients must satisfy themselves that digital printing suits their application. Digital print samples available on request.
 10) Due to the printing process artwork supplied by customers is done so entirely at their own risk, we strongly advise that customers request a proof before print, however when such proofs are provided clients must remember the 10am time limit for approval.
 11) Same Day Delivery - we can also arrange for Same Day Courier delivery (subject to area), please ask for costs if required.
